Dear Parents & Carers,

Thank you to all parents, carers, staff and students for welcoming me into your school community over the last two weeks. I have really enjoyed my time here so far and it has been a great leadership experience for me.

A big thank you to the P &C, staff and parent volunteers for setting up, cooking and hosting the Mutchilba Community Dinner. Thank you to everyone in the community for supporting our P &C's major fundraising event for the year. It was a great success. The students were very pleased to see that their tea towels they designed sold out on Friday night. If you have missed purchasing a tea towel, please ring the office and place an order.

We are nearing the end of Term 3, with only one week to go. The first week of Term 4 will see the Year 3-6’s out on camp at Daradgee EEC along with students from Chillagoe, Walkamin, Richmond and Julia Creek. Camp notes are now due, so please return them as soon as possible. Thank you to the P&C for contributing to the price of camp so that we can keep the costs down for the families attending.

Congratulations to our Year 3 and Year 5 students who completed NAPLAN last term. We have received some great results, all students should be proud of their efforts. Well done to all staff for all their hard work that contributed to students receiving these results.

Last week year 4-6’s attended a T20 cricket competition in Mareeba at Borzi Park. Students competed against other schools in a round robin style competition. They played four games and came away with two wins. The students were very pleased with their results and showed great sportsmanship throughout the day.

Next week, Wednesday the 18th September, P-3 will travel to Dimbulah State School to attend our cluster’s annual Under 8’s Day. Notes will be sent out shortly.

A REMINDER TO PARENTS, CARERS & VISITORS: To make sure we know where every student is at all times please ensure that if your student is arriving late to school or is being picked up early you come to the office first to sign them in or out of the school grounds. Should you have any concerns arising from school please make the school your first point of contact. Most concerns can be quickly resolved with a simple phone call or quick chat with the classroom teacher.

As this is the last newsletter for the term, I hope everyone has a safe, happy and well deserved break. Term 4 starts on Tuesday the 8th October.

Mrs Cater
Acting Principal

P-3 NEWS

The term is almost over and the students have achieved so much. We are all proud of our P-3 NAPLAN results and our students brilliant animal reports.

We are looking forward to what Term 4 will bring!

Mrs Parise
Teacher
Thank you

Thank you to everyone who came to support our school at last Friday nights Mutchilba Community Dinner. The night was a great success and we look forward to seeing everyone at our next event.

A huge thank you to everyone who has donated items for our fundraising ventures and kitchen and garden projects in our little school. Without these generous donations we would not be able to continue running all of the great programs that our school offers students. We are extremely lucky to have such a dedicated community & school network that goes above and beyond to provide for our students.

Our generous families and school staff contribute to our school throughout the year and no donations of goods or time go unnoticed.

Daradgee Camp Year 3-6

In preparation for Daradgee Camp in Week 1 of Term 4, Year 3-6 Mutchilba State School, Walkamin State School & Chillagoe State School students got the opportunity to design and paint their own shirt that they will wear at camp. There were lots of fantastic colours and designs created by all of our creative students!
