Investing for Success

Under this agreement for 2019
Mutchilba State School will receive

$9,614*

This funding will be used to

Guarantee that every student will either:
Achieve National Minimum Standard (NMS) in Literacy or Numeracy for their year level or have an evidence based learning plan in place to address their specific learning needs.
As well as:
- Increase the PM level of identified students in Years 1 to PM level 19.
- Increase the PM level of identified students in Year 3 to PM level 28.
- Increase the percentage of students getting an A-C in English and Maths in 2019 to 90% for Years 1 – 3.

Our initiatives include

Through data analysed from Diagnostic/Standardized tests and assessment tasks of the students:
We will provide:
- Individual support daily through literacy and numeracy blocks for identified students.
- Intervention session to target the specific learning needs of students identified.
- Regular 5 weekly data collection, case meetings and reporting for these students with all stakeholders.
- Use a continuous process in reading and numeracy to assess students’ current performance; teach to the needs of students and re-assess students to monitor improvement.

Across the school and throughout the community:
- Conduct data conversations every 5 weeks with Principal, Guidance Officer, Intervention teacher, class teacher and teacher aides.
- Utilize mastery programs across the school to consolidated and differentiate for students and create a culture of improvement, focusing on automaticity.
- Participate in the Teaching Reading Series to develop staff confidence in the teaching of reading and highlight the importance of reading to the community through regular newsletter and information sessions.

Our school will improve student outcomes by

- Continue to develop the capacity of the Early Years teacher and teacher aides to teach foundation literacy knowledge and reading skills with a focus on Pedagogy and Curriculum knowledge.
- Recruit an Early Years teacher to implement and refine our lower school program to target Literacy and Numeracy development in the lower years.

Professional Development (PD) and resources for staff to work with identified students: $3000
Purchase a Teacher Relief Scheme (TRS) half a day a fortnight to work in the class and target those students who are identified: $6614
